Eton Academy's Summer Camp 2024 in collaboration with Notting Hill College

Welcome to Eton Academy's *Summer Camp*

Social
activities

Character &
life skills
building
sessions

Meet peers
from around
the world!

Eton Academy is thrilled to announce an exciting summer camp programme for 7 to 17-year-olds, in collaboration with Notting Hill College. Hosted at our study centre in Salford, Greater Manchester from 21st July to 30th July, the camp features a dynamic schedule of **lessons, skill development sessions, and enjoyable activities** spanning ten engaging days.

Participants in our 2024 Summer Camp will enhance their language proficiency, life skills, and social skills, all within a character-building experience.

The Summer Camp includes excursions to world-famous tourist attractions in the area, including a football stadium tour and museums.

Activities outside of the campus also include skiing, kayaking and shopping!

Our Summer Camp aims to combine first-rate learning with an abundance of exciting activities to entertain young people while they grow their skills and knowledge.

Greater Manchester is an amazing place for young people to experience all of this. Manchester offers a range of museums, activity venues, shopping districts, arts festivals and so much more. It is no wonder more than 100 million tourists visit the city each year!

Eton Academy is only a short walk away from MediaCityUK, a media and cultural hub where many television shows are filmed.

The range of activities offered during the programme are tailored to take into account each student's needs... As well as Manchester weather! Therefore, any promoted programme may be subject to change at short notice.

What's Included

01.

Skills & Cultural Classes

Our classes are tailored to enhance your knowledge and broaden your horizons while being fun and educational.

02.

Activities

Experience an exciting array of activities that promise adventure, fun, and unforgettable memories.

- Kayaking
- Skiing
- Ordsall Hall
- National Football Museum
- Manchester United Stadium Tour
- Trafford Centre Shopping
- Go Karting
- Science and Industry Museum
- And more!

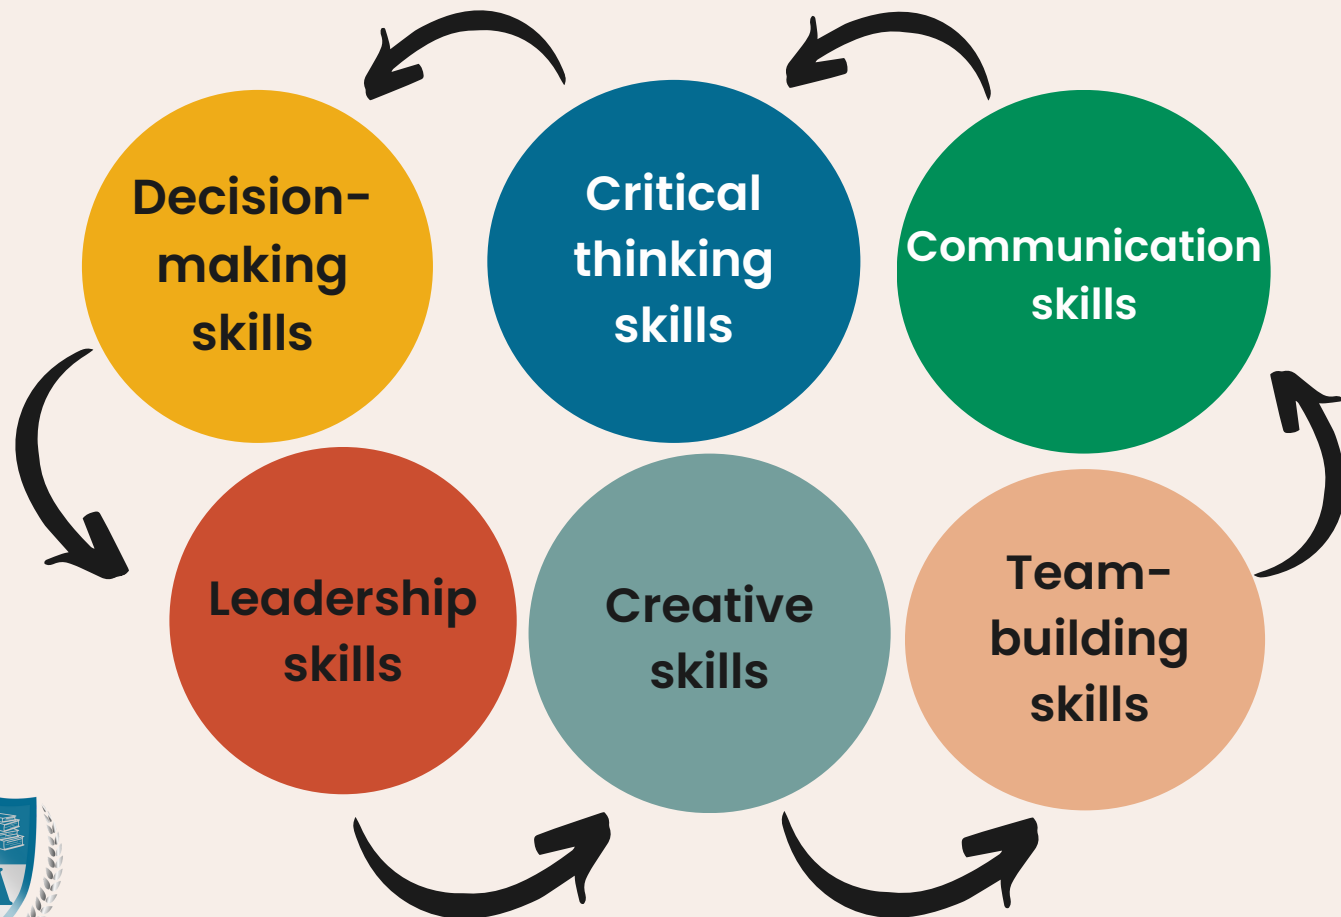

Character Building

Investing in a child's character development is a principle at the heart of Eton Academy and Notting Hill College's Summer Camp.

Over the ten days, students will engage in skills-based activities and projects which will help grow their critical and analytical thinking, as well as leadership and communication skills.

A combination of character growth, personal development and social skills will see Summer Camp students become more confident and thoughtful individuals.

Teachers & Staff

We know that teachers have a huge influence in their students' development which is why our teachers aim to make the Summer Camp a memorable and engaging experience.

All of our teachers are knowledgeable, skilled and experienced and truly have a passion for growing students' abilities. Our teachers' expertise means they can engage children with a wide variety of proven activities.

Come find us!

The Summer Camp takes place at Eton Academy's Head Office in Salford, Greater Manchester.

Conveniently placed between Salford Quays and Manchester City Centre, students are sure to make great memories here. The location allows for a peaceful learning environment but is in the midst of the city enough to be a fun and cultural one, too!

The centre is equipped to the highest standard with classrooms with SMART Boards and our staff will work hard to ensure students' time here is as enjoyable and as useful as possible.
