

# Notting Hill College

Promoting Excellence in Education

A LEADING PROVIDER OF DIVERSIFIED LEARNING OPPORTUNITIES

Notting Hill College is a dynamic fully accredited British institution which specialises in further education as well as vocational training. The College offers endorsed programmes and Ofqual regulated qualifications in the fields of business, language, health & safety and teacher training. By providing an array of programmes, Notting Hill College aims to satisfy the needs of individuals and institutes in the private, public and governmental sectors.

## PROFILE

## Strength in Accreditation

Notting Hill College is a dynamic fully accredited British institution which specialises in further education as well as vocational training. The College offers endorsed programmes and Ofqual regulated qualifications in the fields of business, language, health & safety and teacher training. By providing an array of programmes, Notting Hill College aims to satisfy the needs of individuals and institutes in the private, public and governmental sectors.

The UK campus is accredited by Accreditation Service for International Colleges (ASIC) which is an independent body providing accreditation services for independent, further and higher education colleges. ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider or distance education provider, demonstrate to the international student body that they are a high quality institution.

Notting Hill College is approved by TQUK. They are an awarding organisation recognised by the Office of Qualifications and Examinations Regulation (Ofqual) and the Welsh Government. TQUK offers qualifications on the Qualifications and Credit Framework (QCF). Qualifications regulated by Ofqual are listed on the Register of Regulated Qualifications.

Notting Hill College is an institutional member of the International Association of Teachers of English as a Foreign Language (IATEFL), the College of Teachers (CoT), London Chamber of Commerce (LCC) and the Quality International Study Abroad Network (QISAN).

Notting Hill College is also a UK Registered Learning Provider (UKRLP No. 10028428) and is registered with the Information Commissioner's Office (ICO Ref. ZA047052).

### Our Mission

Notting Hill College is committed to excellence in teaching and a genuine care for the welfare of our students. We aim at developing our students' potential and empowering them to move forward in their careers by assisting them in gaining the maximum qualifications they are capable of achieving.

## Our Core Values

### • Excellence:

We strive to develop and pursue higher standards of training. We continuously adopt the latest training materials, qualified trainers & rigorous assessment to meet & exceed students' expectation.

### • Honesty:

We believe in being honest and we commit ourselves and others to the highest ethical standards.

### • Empowerment:

We believe that our students should be equipped with the tools to set sound goals and achieve them.

### • Equality:

We believe that all people are to be treated equally and with respect, regardless of their gender, race, religion, colour, education, understanding or ability.

### • Cooperation:

We encourage and value partnerships with other organizations and agencies to provide high-quality, comprehensive and competitive training and to share best practices.

## Our Background

The College was established in 2004 and ever since that date, it has been constantly expanding in various tracks; curriculum and programme design, academic partnership and network construction. This diligent work has made us a leading provider presenting diversified learning services.

Due to our rigorous updates and innovations; NHC has attracted ambitious students to join its programmes and has thrived in the teaching and learning community. Our quality-driven approach has given us a global outlook and has placed NHC at the forefront of vocational training market.

Over the years, NHC have developed vocational training programmes which lead directly to the professional job market. This means that the College offers only those programmes which are fully accepted by the education sector in Great Britain and abroad, as well as by business and industry.

## Areas of Study

- BUSINESS & MANAGEMENT
- HEALTH SCIENCES & SAFETY
- LANGUAGE TRAINING
- TEACHER TRAINING

All programmes of study are currently being mapped to the Qualifications Credit Framework.

## Training is Great in Britain

Responding to the increasing needs for attending training in the UK, Notting Hill College organises training programmes at our premises in Manchester. Training is conducted intensively over two weeks to address the needs of busy professionals.

### Our Strategic Objectives

### • Develop Multiple Training Delivery Platforms

Our goal is to assist suitably qualified people in gaining the updated knowledge and skills they require, using the latest and most efficient methods possible.

### • Meet Community Needs

The College's student-centred syllabus aims to assist students in gaining the highest level qualifications that they are capable of.

### • Capture a Larger Market Share

NHC is committed to providing affordable quality education without compromising the standard of our vocational qualifications.

## Our Global Vision

To be recognised as world leaders in the fields of Business English & Teacher Training by establishing an international reputation of quality.

## Community Engagement

Notting Hill College is committed to the welfare of Middle Eastern communities and our continued professional development demonstrates this commitment. We aim to enrich the diverse needs of the community by being actively involved in strategic partnership with the public, private and governmental sectors. In the light of this it is the intention of Notting Hill College – GCC to cooperate with educational institutions by combining our expertise and resources to deliver professional quality programs with the aim of preparing trainees for a challenging career and enhancing their skills.

## Education Verification Service (EVS)

**Notting Hill College Graduates enjoy Lifetime Education Verification**

Many employers require job applicants to verify their educational documents with a letter from the registrar's office of the college or university from which they were issued. Responding to this need, NHC has developed its new-to-the-industry Education Verification Service (EVS). Our students can print a Verification Letter via our site. Believing in assisting its alumni with all the facilities possible, Notting Hill College offers its students an exclusive Education Verification Service (EVS). EVS helps you in presenting your credentials to employers or educational institutions with complete confidence; this will open avenues for better jobs and better future prospects for you.

## Learning Format

Programmes at Notting Hill College are delivered in three formats; **Online:** This format has the tools needed to interact with our students including a live virtual classroom, online assessment tools and content sharing features.

**Distance Learning:** Enables our students to download their course materials and assessments via our learning portal and follow a detailed study plan.

**Blended Learning:** Allows our students to attend sessions at our training venues and access our student portal to upload assignments and view their grades.

## Strategic Partnership

Notting Hill College seeks to establish strategic partnership with governmental sectors, for-profit and non-profit institutions, colleges and universities. Through strategic partnership, we aim to serve the diverse needs of Middle Eastern communities.
